Great Basin Youth Soccer League (GBYSL), and the NEVADA PATRIOTS, strongly encourage ALL young athletes attending competitive soccer tryouts, to actively participate in different club or team tryouts. So that they may fully understand the training program or benefits that each team or club may offer to them. Participating in any soccer clubs or independent team tryouts does not register you to play, nor binds you to that particular club or team. For information on clubs and teams in Northern Nevada, visit www.GBYSL.org

Nevada Patriots is a team Affiliated with the Sage Brush Soccer Club www.sagebrushsoccerclub.com

Players currently registered with other teams must get approval from their current coach to participate in other team's try-outs!!!

If you cannot attend tryouts but would like to be considered for the team, please contact John Chavez directly at 775 690 0949 for an individual assessment.
